Dear mediastudies.press,

I'm very pleased to report that ScholarLed's Board has recommended that we invite mediastudies.press to join the ScholarLed collective. The board was impressed with your application and unanimously accepted it, based on the fact that you are open access, run by scholars, and provide great clarity about the ideological principles that guide you in operating the press.

Considering that you are a relatively new publishing initiative, we were wondering what you were planning in terms of upcoming publications and how you see your output developing over the coming years.

We will place new applications on the ScholarLed website in the coming weeks, and we will make an announcement about all the new members on ScholarLed's home page. Could you please send us a logo file that we can place on our website? We have also contacted OAPEN to add your books in their repository to the ScholarLed collection:

For internal communication, we use Mattermost besides email. Please make an account here:

Here's a link to where you can download the ScholarLed logo in case you may wish to add it to your site, with the phrase "Part of ScholarLed" linking back to us: cloud.punctumbooks.com/s/GZLby6QZSoZooGH

If there's anything else you'd like ScholarLed to help you with, please let me know.

Meanwhile, welcome to the collective. We're delighted to have mediastudies.press as part of ScholarLed!

Best wishes,

Janneke Adema
